

# FLORE DENIS

Full Stack Developer  
Bucharest, Romania  
[floredenis907@yahoo.com](mailto:floredenis907@yahoo.com)  
0751389111

## PROFILE

As an entry-level full stack web developer, I have a strong foundation in HTML, CSS, JavaScript and a good understanding of web development concepts such as MVC and REST. Additionally, I have experience with several programming languages and frameworks such as Java, Spring framework and JavaScript frameworks like Angular. I am comfortable working with databases like MySQL. I have experience with version control systems like Git. I am a team player and enjoy collaborating with others to build great web applications. I am eager to bring my passion for web development and my eagerness to learn to a dynamic and innovative company.

## EDUCATION

Economic Informatics, Academia de Studii Economice din Bucuresti, Bucharest

OCTOBER 2021 – PRESENT

## SKILLS

Git

MySQL

JavaScript

HTML & CSS

Java

Angular

## HOBBIES

I am an individual with a wide range of interests and hobbies. I have a passion for sports and fitness, which includes regular exercise and participation in various athletic activities. I also enjoy reading and learning, which includes reading books and articles on various subjects, and keeping up-to-date with current events. I enjoy music and often play an instrument or listen to music as a form of relaxation. I also enjoy travelling and experiencing new cultures, and I am always eager to plan my next adventure. In addition, I have a passion for photography, which allows me to capture and preserve memories. I am always looking for new ways to explore my hobbies and interests, and I am dedicated to finding new activities that challenge me and keep me engaged.
