PROFILE

Motivated and dedicated entry-level Full Stack Developer with a passion for creating efficient and user-friendly applications. Proficient in SQL, Java, React, TypeScript, JavaScript, Node.js, C++, C, HTML, and CSS. Strong problem-solving skills and a drive for continuous learning and improvement. Committed to delivering projects on time, adhering to coding standards, and collaborating effectively within cross-functional teams. Seeking opportunities to apply and enhance technical skills in developing cutting-edge web applications.

WORK EXPERIENCE

2023-Present — **Rental Car Management System**
Personal Projects — 3 months

Developed a Rental Car Management System using Java, React, HTML, CSS, SQL, TypeScript, JavaScript, and SASS. Designed and implemented a user-friendly interface using HTML, CSS, and SASS for seamless user experience. Utilized Java and SQL to create a robust backend system for managing car inventory, reservations, and customer information. Implemented dynamic features and functionality using React, TypeScript, and JavaScript for interactive user interactions. Conducted thorough testing and debugging to ensure smooth performance and resolved any technical issues encountered during development.
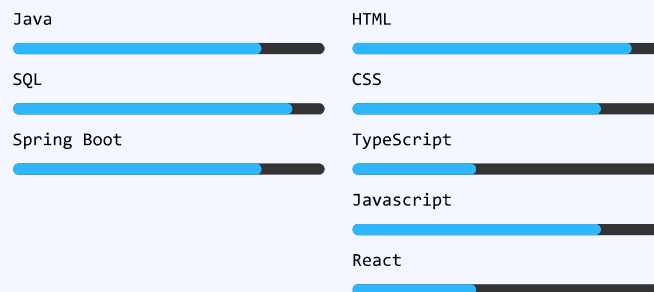

EDUCATION

2021-Present — **BCA - Informatics**
Bucuresti
